

Road Sign Quiz

This link is an interactive ‘**Traffic Safety Quiz**’ that can be used as a ‘minds on activity’ in the classroom, to get students involved and thinking about road sign awareness:

www.squiglyplayhouse.com/Games/Quizzes/General/TrafficSigns.html

- After students do the on-line quiz, teachers can discuss the correct answers and explain what each road sign is used for.
- Teachers can direct students to create their own quiz with other road signs and have other students try to answer the questions correctly.

More information about road signs and their meanings can be found at www.mto.gov.on.ca/english/dandv/driver/handbook/section3.1.0.shtml
