Frame size and seat height		
Quick release		
Cycling skills		

Based on the check marks above, circle the overall assessment.

A = Very Good B = Good C = Needs Improvement

Permission to participate

I am aware that the proposed activities, in which my child will take part, entail certain risks. Although all possible steps will be taken to ensure that the activities are carried out safely, I understand that my child will not be sheltered from all hazards. I am fully aware that my decision is well-thought out: I accept and understand all of the risks and hazards that could ensue as a result of the activities that are part of the Bicycle Rodeo program. Finally, I do not intend to bring legal action against those responsible or the sponsors if my child is injured.

I hereby allow
(child's full name)

to participate in the Bicycle Rodeo activities.
