

Did You Know Cards

Cut and put in envelopes, one set per group.

Did you know...

...if you are charged with impaired driving on your boat, or on your ATV while on the road, you immediately lose your driver's licence for 90 days?

Did you know...

... all ATV riders, including drivers and passengers, are required to wear an approved motorcycle helmet?

Did you know...

...every city and municipality has its own bylaws about where you can ride your ATV, so you need to check before hitting the trails. Some communities do not allow ATVs anywhere within their jurisdiction?

Did you know...

...the number of people injured while using all-terrain vehicles (ATVs) has gone up dramatically over the years?

According to a report issued by Public Health Ontario, from 1995 to 2010, there was a 150% overall increase in ATVs related injuries in Canada.

Did you know...

...ATV injuries are more likely to happen to boys aged 15 to 19 than any other group. Inexperience, improper apparel, non-use of helmets and alcohol are common factors?

Did you know...

...an ATV is not a toy. A young person involved in a crash could suffer life-altering injuries. If and when a young person is ready to use an ATV, the size of the vehicle must match the size of the person, he/she must wear protective clothing (including a helmet)?
